**LIFE QUOTES** “Life issues didn’t arise overnight. Their frequent connection to medical technology can make them seem like recent developments—and advances in understanding physiology and pharmaceuticals have made abortion and euthanasia more efficient and available of late. But these circumstances have been causing society’s difficulties—and providing opportunities to proclaim the Gospel—since ancient times.” *Rev. Michael W. Salemink, executive director of Lutherans For Life* - A “Life Quote” from **Lutherans For Life** - [www.lutheransforlife.org](http://www.lutheransforlife.org).
