

Thanks For Caring & Sharing

Discover Hope, Orphan Grain Train, and the Mat Makers at The Christian Church have been recent recipients of items donated by Our Savior Lutheran Church members. They were all very appreciative! Please continue to save your clean plastic grocery sacks and put them in the red bin behind the refrigerator. Also, as you are cleaning out closets, please consider giving gently used clothing, shoes, toys, children's books, sports & medical equipment to Orphan Grain Train. Please put them in plastic bags & set them behind the refrigerator. Another delivery will be made in the near future. Thank you!

During the month of August, we will be collecting school supplies to be forwarded to Orphan Grain Train to be distributed through missions here and abroad.

We don't have lists of specific needs, but the lists for our local collection will work for giving you ideas.

New Window Installation

Bob Messner and Brian Fox have begun installing more of the new windows in the church, and will continue for the next few weeks. Also, Doug DeJong and Darren Pinkerton have been staining the new trim boards to go around the installed windows.

Reserved Parking Spaces Reestablished

Reserved parking spaces have once again been designated after the new parking lot was completed. Shown in the pictures are Steve & Kevin Hartz and Bob Bringolf as they install the new signs. Two spaces have been designated near the main Sanctuary doors, and one space has been marked near the office entrance to the church. If markings on the concrete parking lot have not yet been painted, they will be soon – as weather allows. Please honor the intent of these spaces so that they are available for those who have difficulty going longer distances to enter our church facilities.

LET'S CELEBRATE!

Join us for coffee, fellowship and celebration after church on Sunday, August 4 for the 60th Anniversaries for:
Jessen's (August 16), Shelton's (August 23), and Ringger's (August 29th).
